Prayers for the Sick: Please always keep in your prayers the sick and housebound especially William Johnson, Simon Thompson, Lynda King, Christine and Michael Dreuit, for all suffering from COVID-19 and for all on our sick list.

Please also pray for Sr Philippa, from the Mercy Convent in Derby, who is very seriously ill in hospital and receiving end of life care.

Please Pray for all who have died from COVID-19. Please also remember their families in your prayers. May they rest in peace.

Dear All

Many of you, no doubt, will be saddened by the death of Dame Vera Lynn, who has died at the grand old age of 103! Tributes have poured in from all over the world, paying tribute to an outstanding, yet most humble, person. Those of you left from the WWII years will have, perhaps, the most poignant memories of her and her contribution to our service men and women during those very dark times. For today, when there is again so much strife and bitterness, her optimism, hopefulness and constant prayer for humanity should give us all courage to focus upon what is most cherished in our society and look to Christ for comfort and solace. May a remarkable icon of a better time rest in peace.

Fr Brentnall

ACT OF SPIRITUAL COMMUNION:

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

As we cannot attend daily Mass, we can use this prayer to express our faith in Christ and His Presence in the Eucharist, and ask Him to unite Himself with us.

Knitted Together: With many of us now at home please support this project, publicise it and have a go!

Knit or crochet: Scarves for the homeless ideally about 9in wide and 60in long. (that is about 25cm x 150cm)
Scarves, hats or mittens for babies / young children for those experiencing hardship.

Cannot knit or crochet? – everyone, including children, can still contribute by making pompoms. These will be attached later.

Keep your items until we can move around again and be distributed in autumn / winter.

Any colours, any stitches the choice is yours! Some supermarkets and stores still open do have wool .

Veronica Morrison has a variety of balls of wool which she is happy to deliver to the doorstep in the locality of her walks for exercise.

LIFE - Derby Friends of Life – Afternoon Tea:

Would you like to host an afternoon tea (following current government guidelines of course) to raise much needed money for the LIFE charity? In July last year we got out OUR best china for YOU and held our first Afternoon Tea to raise funds for the LIFE Charity. We had planned to hold our second Tea on 18 July but, due to the current Covid-19 situation, this will not now be possible.

So..... This year we would like YOU to get out YOUR best china (or Mug) for LIFE. Why not hold your own Afternoon Tea on 18 July on your own or with those living with you? Invite friends for Tea in the garden? For more information and printed invitations please contact Margaret on 07966 368162.

We would also like you to consider giving a donation to Life Charity on our **Justgiving page** www.justgiving.com/fundraising/friendsoferbylifeafternoontea or by visiting the LIFE Charity Shop, 16 St Peter's Way, ortel 01132 346686, when it re-opens on **1 July**.

Children's Liturgy of the Word: Each Sunday, **CAFOD** are hosting an online Children's Liturgy. You can register to participate here [Online talks and presentations | CAFOD](#)

Children's Church from St Dominic's Community is available on their utube channel, St Dominic's Community Hinkley. There are also masses with Fr Frank Daly and Fr Brian Dazley available here.

CAFOD Appeal: The Catholic Agency for Overseas Development calls us to Unite against coronavirus.

In his Easter Urbi et Orbi message of hope, Pope Francis urges debt cancellation for the poorest countries.

Please can you sign the petition to ask our government to help the most vulnerable people in our world at <https://e-activist.com/page/59334/petition/1>

Our sisters and brothers overseas do not have access to healthcare systems as brilliant as the NHS. We are urged to work together with other world leaders to:

Make sure that any vaccine developed with UK public money is made available to everyone regardless of their income or where in the world they live.

Provide urgent financial and technical support to help developing countries cope with this crisis.

Cancel all debt payments by developing countries due in 2020 and 2021 so that countries can spend money on much needed healthcare rather than debt repayments.

Put plans in place to rebuild a fairer, more just society after the crisis so that the world's most vulnerable people can live in dignity and to restore our common home for future generations.

Donations to the CAFOD Emergency appeal can be made on-line by visiting: cafod.org.uk/coronavirus

You can listen to on-line talks about the work of CAFOD and recordings of Eucharistic celebrations. Please pray of the work of CAFOD
