Would you like to play the pipe organ?: The Derby & District Organists' Association would like to offer an initial set of six free organ lessons to anyone wishing to learn. The funding of the lessons is possible thanks to a legacy left to the Association by Edmund Stow, an organist, conductor and organ builder who was well known and greatly respected in Derby and Derbyshire. If possible you should already have piano or keyboard facility to the level of about Grade 5, but if this is not the case you are still welcome to enquire. You need to be tall enough to reach the pedals (which probably means you are over twelve years old) but otherwise there are no restrictions on age.

If you are interested, please get in touch with Margaret Eades (English Martyrs Church Organist) after the 11.00am Mass.

The Association are keen to help interested people to improve their technique and supplement the declining number of church organists.
