Lourdes: Last year our Lourdes From Home initiative allowed hundreds of viewers to join the Lourdes Pilgrimage from home. This year it's back, and even bigger! Registrants have the option to receive a physical 'Pilgrim Pack' posted to their own home, complete with 1) a Pilgrimage Booklet 2) a candle lit in Lourdes 3) prayer intentions taken to the Grotto 4) a live Zoom call with Bishop Patrick 5) daily updates via e-mail and more! This is an excellent opportunity to engage with the housebound and less-physically-able of our communities, and schools who may wish to embark on a virtual pilgrimage in the last weeks of term. Register today at dioceseofnottingham.uk/events/lourdes or by emailing communications@dioceseofnottingham.uk

St Thomas – Feast – 3 July: St Thomas (first century), called 'the twin', is chiefly remembered for doubting the reality of the resurrection until he saw the Lord for himself. Once he was satisfied, he made a heartfelt profession of faith: 'My Lord and my God.' St Thomas, who probably suffered martyrdom as a result of preaching the Gospel in India, comforts us when our faith is weak, encourages us to persevere and demonstrates that 'every doubt can lead to an outcome brighter than any uncertainty.'

Pope Benedict XVI

Election: Some thoughts from the Bishops of England and Wales about Migration. As Catholics, caring for people on the move has always been an important aspect of how we live out our faith. We recognise the innate worth of every person. We are therefore called to welcome, protect and integrate migrants and refugees. As the Bishops of England and Wales emphasised in *The Common Good*, published in 1996: "our neighbourhood is universal: so loving our neighbour has global dimensions." We are also reminded that we are fortunate to live in a part of the world that is relatively rich and that we should not, if it can be avoided, exclude others from enjoying those riches through migration to our own country. Of course, the Church recognises that countries have a right to control their own borders and it is legitimate to limit migration. However, as our own bishops have said in the document *Love the Stranger*: "The starting point for public policy should involve respecting a broad right to migrate and restricting it only when demonstrably necessary, rather than beginning with sealed borders and facilitating immigration only when desired." When discussing migration, politicians should speak with compassion for those travelling to new lands and avoid inflammatory rhetoric. Although we should not assume that there is a single correct way to manage migration, our immigration policy must have the person at the centre.
